

Dear Parents,

Greetings!!!!

Wishing You a Joyful Summer Break!

As the academic year gets underway, it's time for a well-deserved break!
We hope this summer brings joyful moments, laughter, and bonding time with your children.

While we encourage relaxation, we also recommend engaging them in creative activities, reading, and exploring new skills. We have designed holiday homework to be an enjoyable learning experience, encouraging 'learning by doing'.
All students are expected to revise topics covered till now and also maintain a regular reading habit.

The Holiday HW for different subjects for all classes have been compiled by teachers and is put up here for your reference. Students need to follow the instructions given by the teachers to complete the assignments.

Please help your child manage their time to complete assignments while enjoying the break.

Summer Break starts: 03 May 2026

Summer Break ends: 21 Jun 2026

School Reopens: 22nd Jun 2026 (for classes 1-9)

PT1 is scheduled in the second week of July and hence the students should be present in their classes right from reopening day. The school does not encourage absenteeism from regular classes and it will certainly affect the academic performance.

Stay safe and have a fantastic summer!

Regards
